

# 2007 4-H COUNTY FAIR BOOTH REQUEST FORM - Due 8/10

To be completed by one advisor per club that has special interest &/or home economics projects.

CLUB NAME \_\_\_\_\_

ADVISOR \_\_\_\_\_ DAY PHONE \_\_\_\_\_

Any 4-H club that has 4-H Special Interest and/or Family Life projects to display at the county fair must complete this form requesting the amount of space you would like to have. Livestock projects will be displayed in the livestock barns. If members wish to include a very small representation of their livestock projects they may, but extra space is not given for livestock displays.

Space is allotted by the number and size of project displays. **Please mark the number of projects you expect to be displayed at the fair** so adequate space can be allowed for your club. If you have any unusually large projects or need electricity (will be on an outside wall), please note that.

In order to receive a display premium, members must display the actual project, a poster or something else that shows what was learned/accomplished. Consult the project requirements for fair display guidelines. **Project books are not sufficient to earn a premium and should be kept to a minimum. No group displays – each member must have a display to earn a premium.**

**Please complete and return this form to the Extension Office, 724 S. 7th Street, Coshocton, by August 10.** You may fax it to 622-2197. Or you may turn it in to the Family Life registration table on both of the project evaluation days at the Career Center in July. If your club members take Special Interest and Family Life projects, please respond even if you don't need a booth this year. You may call the Extension Office to let us know if you do not need a booth. That will save us from having to reach you by phone. Thank you.

1. Number of Projects to be displayed:

- \_\_\_\_ Clothing projects
- \_\_\_\_ Posters for projects
- \_\_\_\_ Other special interest, family life projects
- \_\_\_\_ Other displays (e.g., group display)

List any large or unusual project displays (e.g., piece of furniture):
