

Special Interest Projects

- For evaluation of project, participants will be interviewed to evaluate their exhibit and knowledge of their project. Project books should be completed and brought to the evaluation. Any posters should be no smaller than 14"X 22".
- 4-H members' project work brought to evaluations or exhibited at the fair needs to be 1) completed during the current 4-H year and 2) completed as a 4-H project, not a school, Scouts, FFA, ect.
- Fair exhibits may be an item made for evaluation days or an educational poster no smaller than 14"X 22" showing some phase of the project or a three-dimensional display not to exceed 9 square feet.
- Posters must clearly show project information on what was learned to qualify for county fair premium (a few computer graphics on a sheet of paper does not qualify).
