When you have extra money, it's easy to talk about all the responsible things you should do with it. But when you find yourself not having enough money to take care of you and your family, you go into survival mode.

Remove that stress by taking control of your life. The OSU Extension Financial Coaching and Education program gives you the tools to break down your challenges into smaller, manageable pieces of a plan that works!

This **free** program has been created for individuals who want to improve their ability to become financially stable.
