

Hi 4-H Families-

Here we go with another week of reminders.

**\*\*New this week\*\*** Because of the restrictions of face-to-face events, this year's Health and Safety speaking contest is going to look a little different. If you would like to participate in the contest, you will upload your memorized speech

to <https://www.dropbox.com/sh/kl1sj92nxkcjpuX/AADVkqzwoUCmhQ2QWIEGv-a?dl=0> by 6:00 p.m. on Sunday, June 7th. If you have any questions, you can reach out to any of the speaking committee members. For more info, check out the Speaking Opportunities section on the Extension Office website. <https://coshocton.osu.edu/program-areas/4-h-youth-development/speaking-and-demonstration-contest>

Again, please note that the enrollment deadline has been extended to May 29<sup>th</sup>. This also means any project changes need to be made by May 29<sup>th</sup>. If you have already completed your 4HOnline profile you will need to contact the office for any project changes. I have attached the link for enrollment information if you did not receive your packet in the mail. You need to go on and self-enroll if you are a returning member/advisor. If you are a new member/advisor, please scan and e-mail your enrollment form or mail it to our office at 724 S. 7<sup>th</sup> Street, Room 110, Coshocton, OH 43812. [go.osu.edu/CoshEnroll](http://go.osu.edu/CoshEnroll).

Online 4-H Advisor Training needs to be completed by June 1.

<https://osucfaes.instructure.com/enroll/G64XJG>. Alternatively, if that does not work, sign up at <https://osucfaes.instructure.com/register> and use the following join code: **G64XJG**

If you haven't signed up for a Quality Assurance session, please do so. If you have missed your Quality Assurance session time, you will need to go back in and sign up for a new time. This is mandatory for all junior fair exhibitors in the beef, sheep, swine, dairy cattle, goats, poultry, or rabbits (even if you are just taking pet or breeding), so please sign up at the link below.

This week's 4-H project book preview will be "Grow Your Own Vegetables." This would be a great year to take on this project and get the whole family involved! The book is designed for 4-H members of all ages with an interest in growing their own vegetables. To complete this project successfully, you need access to an outdoor space with full sun (at least six hours), even if it is just a patio where you can grow vegetables in containers. An actual garden space in the ground is ideal! This project can be repeated, if different kinds of plants and fresh designs are used each year.

As always, if you have any questions, please do not hesitate to reach out to us. Have a safe & happy weekend!
