WHAT PAST PARTICIPANTS HAVE SAID

“The doctor tells you very, very little. You go to the drug store, and they tell you very little. There’s no one to tell the newly diagnosed people what they need to know. Dining with Diabetes is definitely needed—it fills that void.” — Bob

“I highly recommend anyone with diabetes to take this program.” —Teresa

“This course is an eye-opener. . . . It can add months or years to your life.” — Jim
