

Money 101: *Keys to Financial Stability*

When you have extra money, it's easy to talk about all of the responsible things you should do with it. But when you find yourself in the situation of not having enough money to take care of you and your family, you go into survival mode.

Remove that stress by taking control of your life. Money 101 is a financial education program that gives you the tools to break down your challenges into smaller, manageable pieces of a plan that works!

This *free* program has been created for individuals who want to improve their ability to become financially stable. Sign up and complete 4, one-hour educational classes, and learn to create a financial plan that sets you on the path to financial stability.

To register call the Coshocton County Extension Office at 740-622-2265
