

Pressure Canner Dial Gauge Testing

SATURDAY, AUGUST 24, 10:00 A.M. – 2:00 P.M.

Location: Rural King, 779 S 2nd St, Coshocton

Cost: Free

Details: Only the canner lid is needed for testing. Pressure canner gauges should be tested for accuracy each year. The calibration of a dial gauge can become inaccurate as the canner lid is handled, bumped, and used.

Canners will be tested by Coshocton County Extension Family and Consumer Sciences Educator, Emily Marrison.
