“Beat the Winter Blahs” Series

Join local Master Gardeners to learn more about gardening with fellow garden enthusiasts. Get out and beat the blahs this winter with a little bit of crafting and a lot of education!

January 11- Growing & Forcing Bulbs

Learn how to bring blooms indoors and take a dish of narcissus home. We'll also go over growing hardy bulbs and how to force spring-blooming branches.

February 8- Bats of Ohio

Did you know bats are not blind and there are 13 species in Ohio? Learn more about our native bats, the good they do and the threats they face. Blueprints for building your own bat house will be provided.

March 8- Growing Milkweed for Monarchs

All stages of the monarch butterfly depend on milkweed for their survival. Come learn more about growing different varieties of milkweed in your garden; take some seeds home and paint a pot for growing milkweed.
